--

The Cheyenne Astronomical Society (CAS) was formed in December of 1986. The CAS is for people interested in astronomy who want to share their experiences and increase their knowledge of astronomy. Members are not required to own any equipment or to have any prior knowledge of astronomy. Your basic curiosity about astronomy is all you need.

The benefits of membership in the CAS include:

- Members receive monthly notifications where to find the current newsletter online
- Members have access to star parties at Camp Jack and other spring, summer and fall events
- Members are eligible for discount subscriptions to Astronomy and Sky and Telescope magazines
- Observing sessions for special occasions such as meteor showers, comets, eclipses

This month's newsletter is posted online at <http://killerrabbit.co/newsletter.pdf>

This month's sky map has been posted online at <http://killerrabbit.co/skymap.pdf>

CAS membership fees are \$12.00 a year and due in January or Pro-rated through the year

Please remit your check to Marcy or mail to: The Cheyenne Astronomical Society
1333 Jessi Drive
Cheyenne, WY 82009
